

The Ultimate Serial Killer

This killer has been known for ages by many names: Slewfoot, the devil, Beelezebub, Old Red, the Evil one, the Great Dragon, the Tempter, etc.

He has accounted for untold numbers of deaths by many causes. He has a vast array of tools to use on his victims. Some of these are directed at a person's emotions, mind, or physical weaknesses.

He is deceptive, using many disguises, sometimes appearing as an Angel of Light.

His primary goal at all times is to render the person useless to God by being an accomplice to the death of the soul or body, either directly or indirectly.

Examples of people being directly attacked are: Adam and Eve; Cain; God and Jesus Christ. There are many more examples throughout scripture.

Indirect attacks on a large scale seem to be associated with the birth of a divinely anointed deliverer. It appears that Satan knows the timing of the birth of a deliverer, but does not know the exact time or specific person. He therefore uses powerful rulers of kingdom to order the slaying of children.

See the accounts of the birth of Moses and Yeshua. Mass murders of babies in or out of the womb may well be a sign that the time of divine deliverance. If that observation is correct, there is a likelihood that abortion is foretelling our soon deliverance into the presence of Yeshua.

On the other side stand the Homosexuals: They now have the right to marry but cannot conceive and produce children. Think of the consequences of legal status for them

including a complete breakdown of moral, sexual and definitive definitions for males and females. This subject will be covered in the near future.

As a small example, do you find it difficult to tell whether the sex of the person is male or female? The blend is becoming so widespread that the next step may be a blend of robots with human characteristics, including the ability to "*think*". The inventions are being produced now for commercial purposes. Who or WHAT is it?

Truly, Satan has been correctly described as "*...a murderer from the beginning, and does not stand in the truth because there is no truth in him. Whenever he speaks a lie, he speaks from his own nature, for he is a liar and the father of lies.*" **John 8:44(b)**

There are two passages that are paramount in discussing Satan at the end times including the time immediately preceding the last days. The first one is all of **Matthew 24** and **Revelation 13:1-8, 14:9-12, and 14:16-18.**

The verse in Matthew 24 that is significant to this discussion is verse 21. It reads: ***For then there will be a great tribulation, such as has not occurred since the beginning of the world until now, nor ever will.***

The other verse in this passage is verse 24. It reads: ***For false Messiahs and false prophets will arise and will show great signs and wonders, so as to mislead, if possible, even the elect.***

Look at the following verses in **Revelation 14:9-10**: ***Then another angel, a third one, followed them, saying with a loud voice, "If anyone worships the beast and his image,***

and receives a mark on his forehead or on his hand, he also will drink of the wine of the wrath of God, which is mixed in full strength in the cup of His anger; and he will be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb.

These passages in Matthew 24 is a dire warning that things are going to be so far from the reality we now know as “**normal**”; will be so far perverted that we will see things never seen before. It will be such a ‘**shock**’ to our known reality, that there is a possibility the elect will be deceived by what they are hearing and seeing.

With that in mind, let's consider the consequences of receiving the “**Mark of The Beast**”. **Eternal Damnation**. No exercise of the Free Will after taking the MARK!

No “**Death Bed**” repentance, No FORGIVENESS from God. Shocking, isn't it

Why do you think that is? One mistake made in times of complete chaos where food water or shelter may not be available.

People all over the world are now suffering a foretaste of Matthew 24. This time is also known as the Wrath of Satan

How could God be so heartless? . Because the Mark of the Beast may use technology NOW being used in a controlled environment to change your DNA or alter your personality and ability to exercise your Free Will.

The only hope we have is to persevere to the ends to prepare by purposing to know God so thoroughly through His Living Word and prayer that we will not be deceived.

Dwell on **Psalm 34:1- 6** and **Psalm 91**; then study, pray and seek the Holy Spirit! Doing all with abundant Praises for His Blessings

Shalom
